Small Business COVID-19 Adaption Grant Program – Round 2

The Queensland Government has announced a second round of grants of up to **\$10,000** for virus effected businesses. The objective of this program is to support small businesses subject to closure or highly impacted by the coronavirus (COVID-19) shutdown restrictions announced by the Queensland Government, to adapt and sustain their operations, and build resilience. Round 1 of the program was allocated very quickly, and applications for the second round will be accepted from 1 July 2020.

HURRY - You must be prepared and ready to go.

Part of the application process requires you to have current invoice and/or quotations for services that will legitimately help the growth of your business. These documents must be uploaded at the time of application.

What better way to help your business get back on its feet and secure its future, than to invest in **marketing?**
